

# What You'll Learn...

- How to see through your apparent limitations and the so-called nature of “reality”, so you can create entirely new possibilities for yourself
- The unexpected place where all creativity and creation begins
- The simple principle that separates “creative” people from “uncreative” people — it’s a lot simpler than you think!
- How to answer absolutely **any** question, using a creative power you didn’t know you had
- How to generate creative solutions to apparently unresolvable conflicts, so you can stop sabotaging yourself and get the results you want.

# What You'll Need...

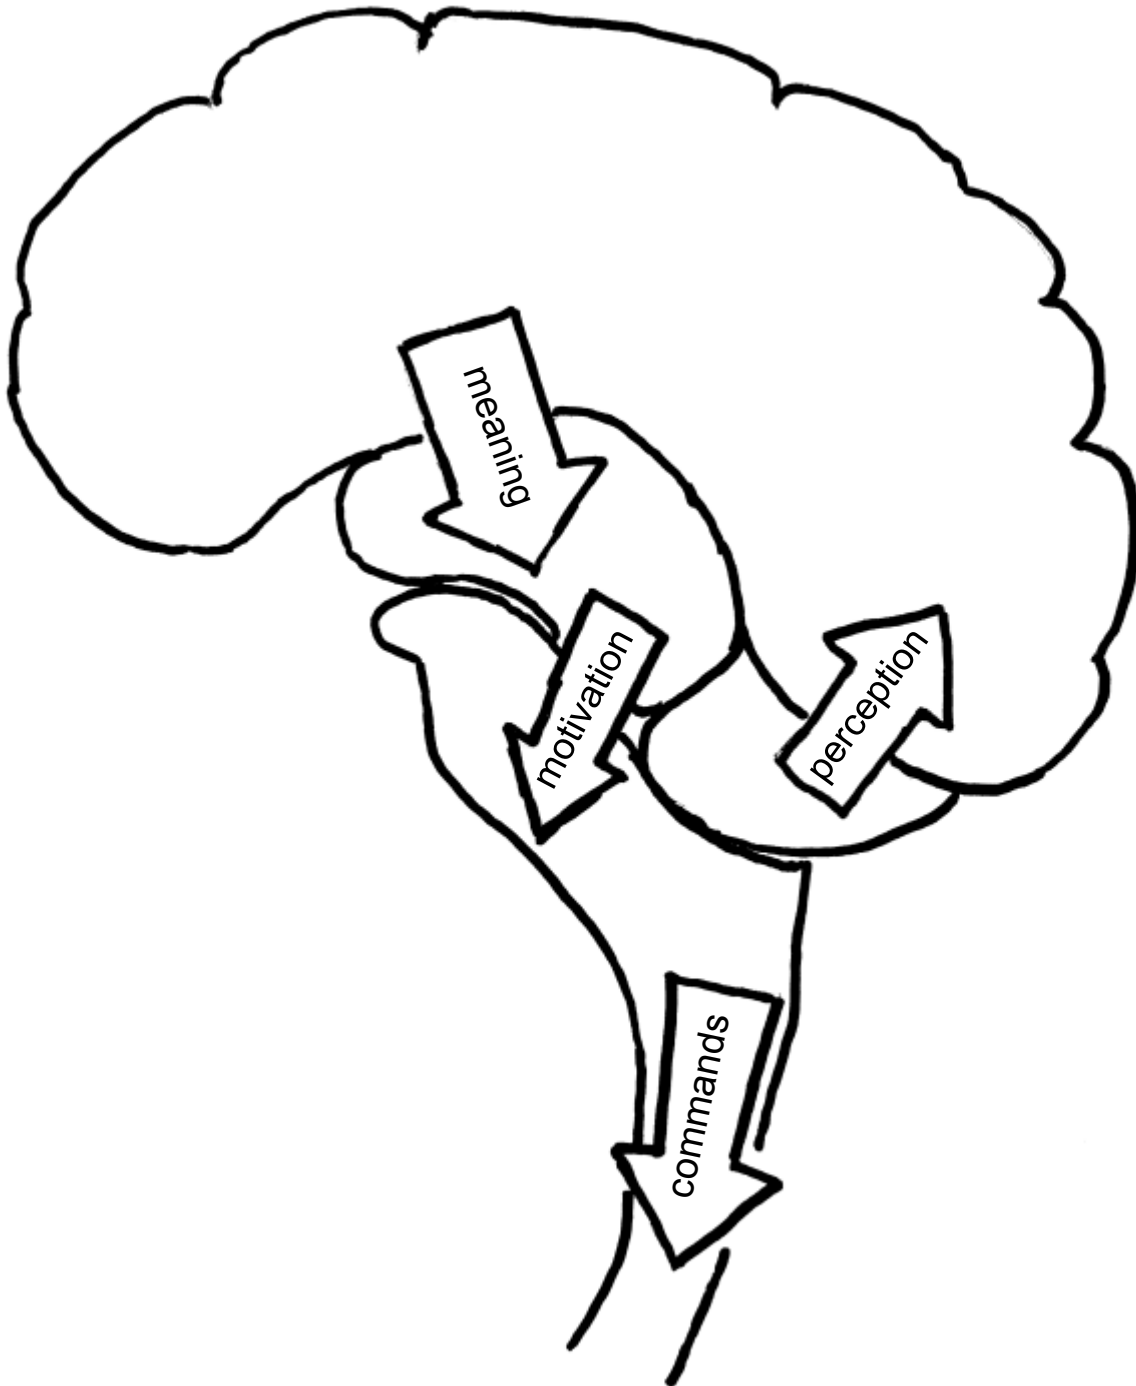

- This handout, and the corresponding CDs
- A pen or pencil to take notes and to fill in the blanks on these pages
- An open mind!

# Breaking The Edge of The World

**Arms out to sides, palms facing out  
Fingers up at eye level;  
Look straight ahead!**

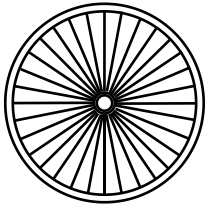

**Reality? It's \_\_\_\_\_!**

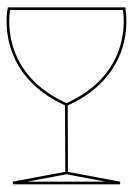

**Thinking is like sex: if it \_\_\_\_\_,**

**You're \_\_\_\_\_!**

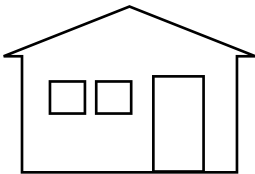

# The Essence of Creation

**Thirty-two are the spokes in the hub of the wheel,  
But a wheel cannot turn, with no \_\_\_\_\_ in the \_\_\_\_\_!**

**And although it's from glass that a goblet is made,  
It can only be \_\_\_\_\_, where \_\_\_\_\_!**

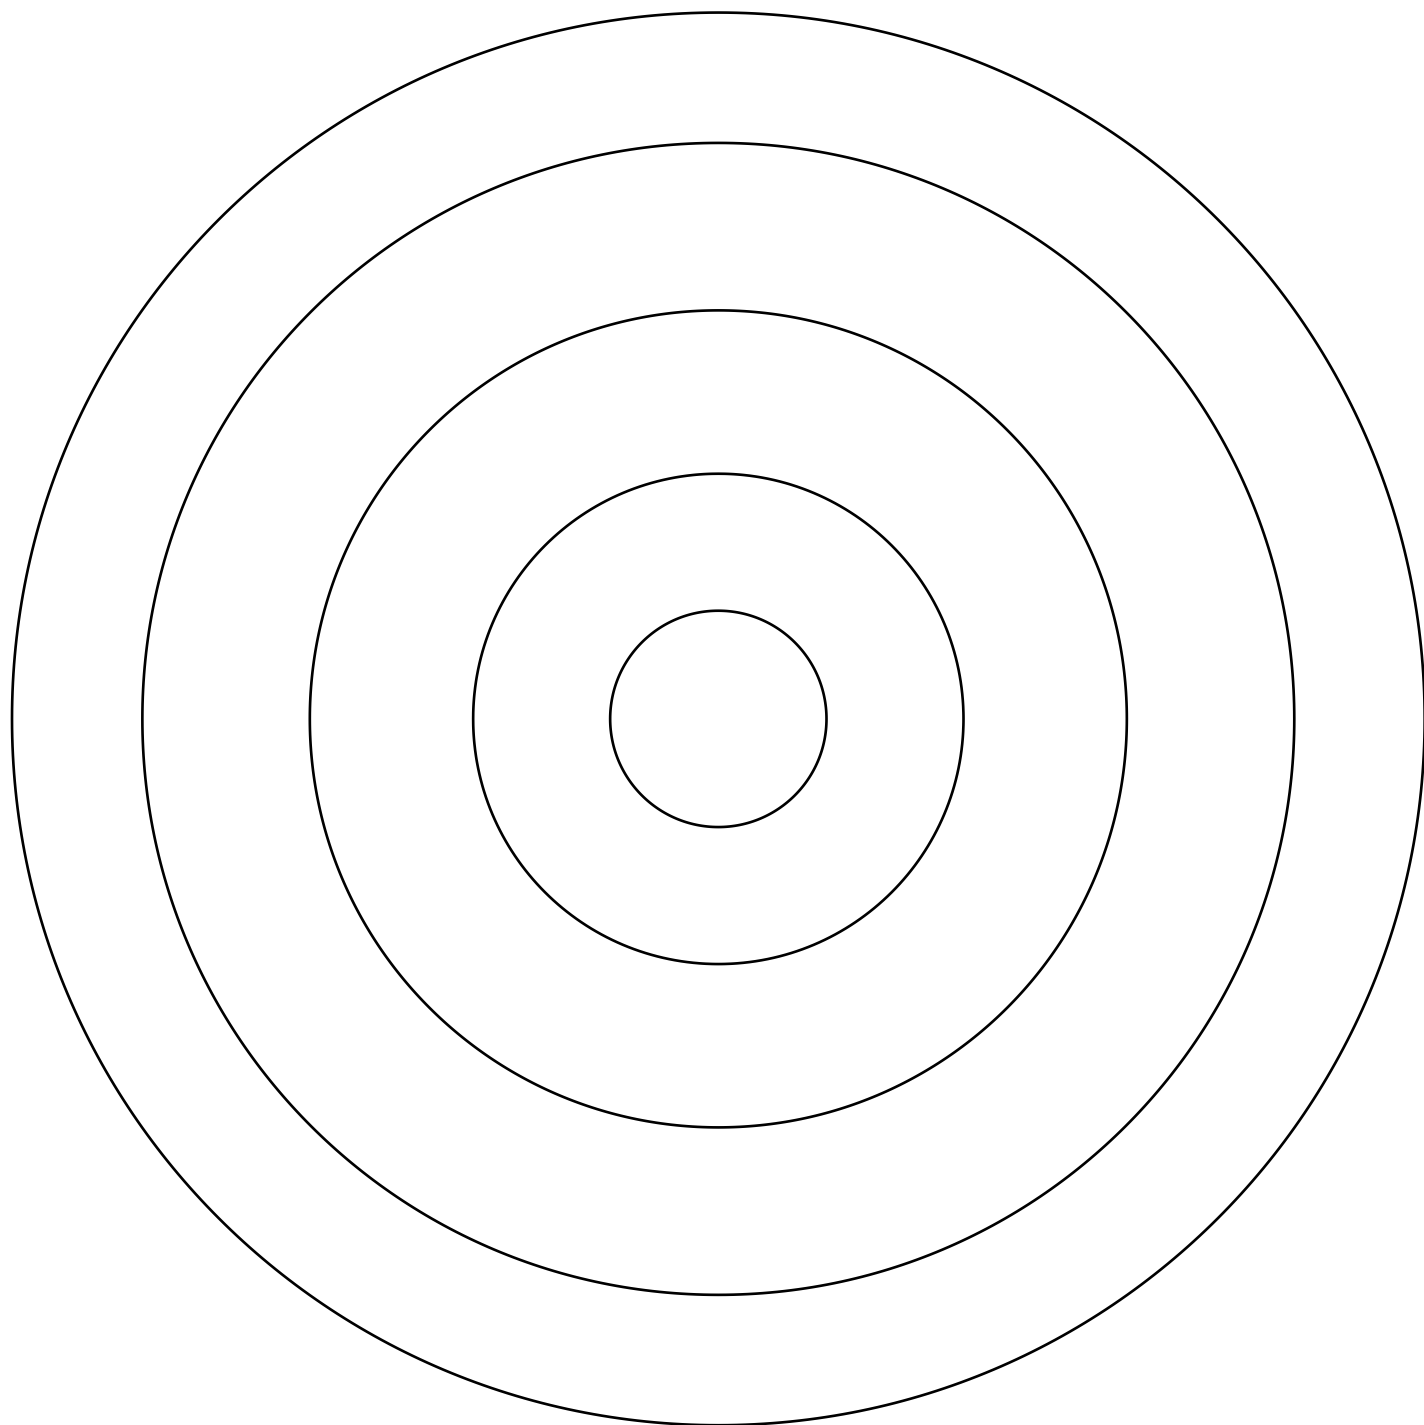

**And so solidly built are the walls of this house,  
But to live there requires both \_\_\_\_\_ and \_\_\_\_\_!**

**And so thus we construct things from that which \_\_\_\_\_,  
But their \_\_\_\_\_ is found here in that which \_\_\_\_\_!**

**Ideas are Like Onions...  
Everybody has them, and they stink!**

**Creative people don't**

# **The Primary Process**

**Step 1: Empty**

**Step 2: Accept/Release**

**Step 3: Record/Reflect**

# **Tools for Transformation**

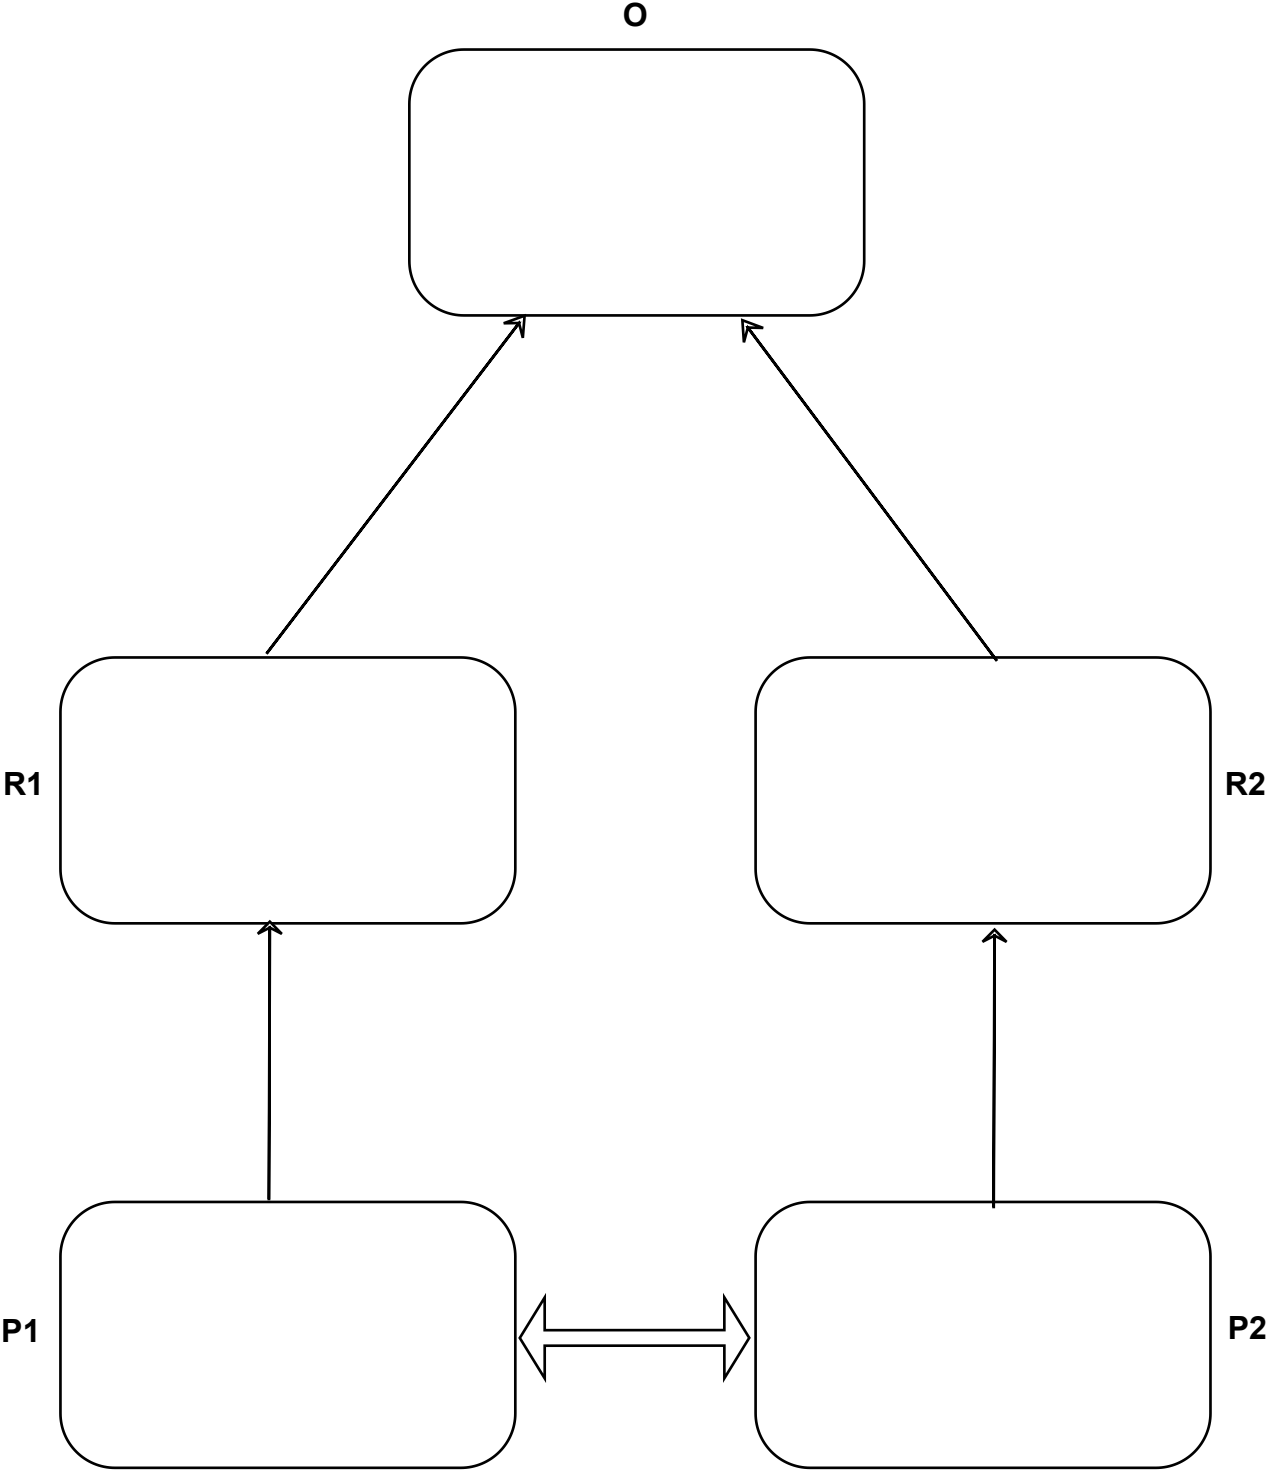

**Structure**

**Silence**

**Release**

**Recording**

# Don't Think Outside The Box; Find it!

# **Wrap-up and Feedback**

**1. What did you enjoy most?**

**2. What are you going to start using immediately?**

**3. What kind of difference will it make to your life?**
